

Prayer of Thanks

My LORD, we never cease to hold You in our heart and mind. You guide us in our ways and thoughts. Thank You for believing in us. Thank You for Your trust that we will persevere against all odds. What You give each one of us is a gift to use in Your name. You are the Author of Love undying, devoted and pure. You bring unceasing hope to the needy.

Those who believe in You understand the tugs when they arrive. For indeed who of Your children have You given less than what they need when they ask? As Your children whom You created with Your own breath and image, we need to follow You in Your ways. We are to love the way You love and respond to the call the way You responded to the loving Father without any hesitation.

You have bestowed continuous blessings beyond compare. Some may not yet be able to see or understand them simply because they are not aware of Your love or may have not yet grasped the very essence of Your loving grace.

How wonderful it is, dear LORD JESUS, for You to call to take on the task of bringing that difference into the lives of the needy. There are more venues to tap on and to share. You have given enough that we're able to share. We know that we will never run out of anything because You replenish what is shared or given away with love. When we share continuously we follow Your footsteps. How reminded we are of the story of the Good Samaritan. [Luke 10:25-37](#)

Dear LORD, thank You for choosing us to be ambassadors of Your love and hope. Thank You for the words and phrases to share. Thank You for sending the right people at the right time. Thank You for the unceasing blessings of perseverance. We won't be able to tackle anything without Your HOLY SPIRIT's presence in our life - guiding us every moment. Indeed when we let You direct our paths events come out beautifully on their own.

Let us focus our eyes on You and give glory to Your name. You are LORD ALMIGHTY! Praise and glory to You forever and ever!
